The Museum of Everything moves to Rotterdam

🇳🇱 ROTTERDAM | 5 March 2016 | AMA | 🐦 | in

The Museum of Everything is moving to the Kunsthal in Rotterdam from 5 March to 22 May 2016.

Born in London in 2009, the Museum of Everything is moving for the sixth time. With almost 1,000 outsider-art works, the Museum of Everything will also be presenting an installation by Eve Stewart. This is an opportunity to see works by great figures in art brut and outsider art such as Henry Darger, Guo Fengyi, Aleksander Lobanov, Martin Ramirez, and Judith Scott, to be presented alongside essays by David Byrne, Ed Ruscha, Marlene Dumas, Maurizio Cattelan, Carsten Höller, Annette Messager and Grayson Perry.

An opening night event is scheduled for 5 March: "The Big Deal Opening Party of Everything".
